Product Disclosure Statement (PDS)

Explaining this PDS

Any advice given in this PDS is general only and does not take into account your personal objectives, financial situation or needs. You should consider whether this product is right for you, having regard to your objectives, financial situation and needs. You should carefully read this PDS and any other documentation we send you before making a decision about whether to acquire Woolworths Life Insurance.

Woolworths Life Insurance is issued by the insurer, Swiss Re Life & Health Australia Limited (**Swiss Re**). Swiss Re has sole responsibility for the PDS and Policy Schedule and the assessment and payment of claims.

In the PDS, some words or expressions have a special meaning. They normally begin with capital letters and their meaning is explained in the **Glossary** (page 22) section of this PDS.

In the PDS, references to we, us and our means Swiss Re.

Introducing Woolworths Life Insurance

Woolworths Life Insurance provides financial assistance for you and your family in the event of death or Terminal Illness.

You can also apply for the following optional benefits with your Woolworths Life Insurance:

- Woolworths Total and Permanent Disability Insurance* – a lump sum payment in the event the Life Insured becomes totally and permanently unable to work; and
- Woolworths Children's Insurance – a lump sum payment in the event of the Insured Child suffering a specified trauma event or death.

* Any payment of the Woolworths Total and Permanent Disability Insurance benefit as a result of a claim, will reduce (or in some instances end) the Woolworths Life Insurance Benefit Amount which remains on your Policy. The benefits are constructed in this way in order to minimise the additional cost of the options whilst providing you with valuable cover. Further explanation of how this works is provided under the heading **Reducing Benefit Amounts** on page 12.

With Woolworths Life Insurance, the Life Insured is protected 24 hours a day, 7 days a week, worldwide, unless the Life Insured is not covered because of an event specified under **What is not covered under your Policy?** on page 13.

These benefits and the terms and conditions of Woolworths Life Insurance are explained in this PDS.

Your Insurance Policy

If your application for Woolworths Life Insurance is accepted by us, we will issue you a Policy Schedule. Your Insurance Policy consists of the Policy Schedule and:

- this PDS (which includes the terms and conditions applying under your Policy);
- the application (and any future applications accepted by us); and
- any special conditions, amendments or endorsements we issue you.

Please keep the Policy Schedule, this PDS and all documents that we send to you in a safe place for future reference. The Insurance provided under Woolworths Life Insurance is written out of Swiss Re's Statutory Fund.

Who can apply for Woolworths life Insurance?

You can apply for a single policy on your own life or you can apply for a joint policy to include your spouse, partner and/or de facto (Partner Life Insured) under a Woolworths Life Insurance Policy.

You (and your Partner Life Insured, if applying) must be Australian Resident(s) aged between 18 and 65.

In addition if you are applying for Woolworths Total and Permanent Disability Insurance, you (and your Partner Life Insured, if applying) must be aged between 18 and 60 and working on a regular basis in an eligible occupation for at least 20 hours per week. Most types of occupations are eligible, but work that involves hazardous activities may be excluded or declined.

Alternatively, if you are engaged in Domestic Duties full time, you must be aged between 18 and 55, to be eligible for Woolworths Total and Permanent Disability Insurance and lower maximum Benefit Amounts apply (see The Benefit Amounts you can apply for on page 9).

You can also apply for Woolworths Children's Insurance for a natural child, stepchild or adopted child of yours (and/or of a Partner Life Insured) if the child is aged between 2 and 18, and the child is an Australian Resident.

Your Policy Schedule will state which Life Insured(s) and Insured Children (if applicable) are covered and whether optional; Woolworths Total and Permanent Disability Insurance benefits apply (if any).

We reserve the right to accept or decline applications for Woolworths Life Insurance (including optional benefits, Life Insureds and Insured Children) in our absolute discretion.

Interim Accidental Death Insurance

If we require further information to assess your application, you will automatically be provided with interim cover for up to 30 days from the date of your application against Accidental Death while we assess your application. This means that if you were to die as a result of an Accident while we are assessing your application, we will pay the Woolworths Life Insurance Benefit Amount you have applied for, unless you are not covered because of an event specified under **What is not covered under your Policy?** on page 13.

The amount of interim Accidental Death Insurance is the Woolworths Life Insurance Benefit Amount you apply for subject to the maximum limits indicated under The Benefit Amounts you can apply for on this page. This cover is provided at no additional cost to you and is subject to the terms explained in this PDS.

Your interim Accidental Death Insurance will cease after 30 days from the date of your application, or on the date on which we notify you that we have accepted or declined your application, whichever occurs first.

The Benefit Amounts you can apply for

You can apply for a Benefit Amount from the minimum, up to the maximum, in increments of \$50,000 up to the maximum Benefit Amount indicated below:

Minimum Benefit Amount for each Life Insured	
Woolworths Life Insurance	\$100,000
Woolworths Total and Permanent Disability Insurance	\$100,000

Maximum Benefit Amount for each Life Insured			
Age at Application	Woolworths Life Insurance Benefit Amount*	Woolworths Total and Permanent Disability Insurance* Benefit Amount**	Woolworths Total and Permanent Disability Insurance* Domestic Duties Benefit Amount**
18 – 45	\$1,500,000***	\$1,000,000***	\$500,000
46 – 55	\$750,000***	\$750,000***	\$500,000
56 – 60	\$500,000	\$250,000	not available
61 – 65	\$500,000	not available	not available

* Please note that the Woolworths Life Insurance Benefit Amount is reduced by any Total and Permanent Disability Insurance Benefit Amount paid – see explanation under the heading **Reducing Benefit Amounts** on page 12.

** Please note that the Woolworths Total and Permanent Disability Insurance Benefit Amount cannot exceed the Benefit Amount of the Woolworths Life Insurance – see explanation under the heading **Reducing Benefit Amounts** on page 12.

*** Please note that the maximum Benefit Amount detailed in the table above, may be reduced, based on the information you provide during the application process in respect to your income.

When you apply with a Partner Life Insured, you each apply for separate Benefit Amounts based on the limits above for the relevant age group.

For Woolworths Children’s Insurance, for any child between the age of 2 and 18 you can apply for a Children’s Insurance Benefit Amount of either \$25,000 or \$50,000. The maximum Children’s Insurance Benefit Amount is \$50,000.

Maximum benefit limit

The maximum benefit payable for a Life Insured or Insured Child cannot exceed the maximum Benefit Amount set out in The Benefit Amounts you can apply for on this page plus any automatic increases as described in Automatic increases of your Benefit Amounts section on page 15. If the Life Insured or Insured Child is covered under more than one Woolworths Life Insurance Policy and/or Woolworths Life Insurance Accident Only Policy we will apply this limit to the total of the Benefit Amounts for that Life Insured or Insured Child under all such Policies and, if necessary, we will reduce the applicable Benefit Amount under the Policy or Policies most recently commenced. If we reduce the Benefit Amount insured under a Policy, any overpayment of premiums resulting from the reduction in benefits will be refunded.

When we will pay the Benefit Amounts

We will pay the benefits explained below if the Life Insured or Insured Child suffers an insured event while covered for that insured event under the Policy, except in the circumstances explained in What is not covered under your Policy? on page 13.

The Benefit Amounts for each Life Insured and Insured Child are set out in the Policy Schedule.

Unless otherwise indicated, payment of a benefit is subject to the provision of claim proofs and certain examinations and reasonable tests, which are explained in Making a claim on page 20.

Woolworths Life Insurance

We will pay the Woolworths Life Insurance Benefit Amount, if a Life Insured dies while the Policy is in force.

We will advance \$15,000 of the Woolworths Life Insurance Benefit Amount to assist with the costs associated with funeral or other similar expenses without waiting for all claim proofs, but we must have satisfactory evidence of the deceased Life Insured's age and death. If we make an advance payment in this way, this is not an admission of our liability to pay the balance of the Woolworths Life Insurance Benefit Amount, which is subject to the provision of all claim proofs.

Terminal Illness

We will pay the Woolworths Life Insurance Benefit Amount as a lump sum if a Life Insured is diagnosed with a Terminal Illness while the Policy is in force.

Payment of the Benefit Amount, as a result of a Terminal Illness claim, will end cover under this Policy in respect of the relevant Life Insured.

Woolworths Total and Permanent Disability Insurance

Woolworths Total and Permanent Disability Insurance in respect of a Life Insured is only available if we have agreed to provide Woolworths Life cover for that Life Insured.

We will pay you the Woolworths Total and Permanent Disability Insurance Benefit Amount if, while the benefit is in force (see *When your cover starts and ends* on page 12), the Life Insured suffers Total and Permanent Disablement, except in the circumstances explained under *What is not covered under your Policy?* on page 13.

When the Woolworths Total and Permanent Disability Insurance Benefit Amount is paid, the Woolworths Life Insurance Benefit Amount is reduced by the amount paid.

Woolworths Children's Insurance

Woolworths Children's Insurance is only available in conjunction with Woolworths Life Insurance.

We will pay the benefits explained below if the Insured Child dies or suffers an insured trauma event while the Policy is in force (see *When your cover starts and ends* on page 12) except in the circumstances explained under *What is not covered under your Policy?* on page 13.

Unless otherwise indicated, payment of a benefit is subject to the provision of claim proofs, which are explained under the heading *Making a claim* on page 20.

We will pay 100% of the Woolworths Children's Insurance Benefit Amount for an Insured Child as a lump sum if that Insured Child suffers one of the following trauma events:

- Bacterial Meningitis; or
- the total and permanent loss of use of two or more Limbs; or
- Paralysis; or
- Cancer; or
- Loss of Sight; or
- Encephalitis; or
- Major Head Trauma; or
- Loss of Hearing; or
- Severe Burns,

while covered under the Policy and survives for fourteen (14) days after the day that the trauma event occurs or is contracted. If the Woolworths Children's Insurance Benefit Amount is paid or payable because the Insured Child suffers a trauma event, the Insurance for that Insured Child ends and there is no further payment if the Insured Child subsequently dies.

We will pay 20% of the Woolworths Children's Insurance Benefit Amount as a lump sum under the Policy on the death of an Insured Child while the Policy is in force.

In addition, we will pay you up to \$1,000 as reimbursement of costs you incur for consultations with an independent, qualified counselling organisation for counselling immediate family members of the Insured Child following an insured trauma event or death.

Reducing Benefit Amounts

The Woolworths Life Insurance Benefit Amount for a Life Insured will be reduced by the amount of:

- any advance payment of the Woolworths Life Insurance Benefit Amount in respect of that Life Insured; and
- any payment of the Woolworths Total and Permanent Disability Insurance Benefit Amount in respect of that Life Insured.

If the Woolworths Life Insurance Benefit Amount for a Life Insured is reduced, any unpaid Woolworths Total and Permanent Disability Insurance Benefit Amount for that Life Insured cannot exceed the remaining Woolworths Life Insurance Benefit Amount. If the Woolworths Total and Permanent Disability Insurance Benefit Amount for that Life Insured does exceed the reduced Woolworths Life Insurance Benefit Amount, the Woolworths Total and Permanent Disability Insurance Benefit Amount will be reduced to equal the remaining Woolworths Life Insurance Benefit Amount. We will also adjust your premiums to reflect the reduced cover.

If there is no remaining Woolworths Life Insurance Benefit Amount, the Policy ends.

When your cover starts and ends

If your application for Woolworths Life Insurance is accepted by us, cover starts for a Life Insured or Insured Child on the Acceptance Date set out in the Policy Schedule. Your first premium is deducted from the Commencement Date, which is also set out in the Policy Schedule.

We guarantee to continue cover for a Life Insured under your Policy (provided you pay your premiums when due) until the earlier of the death of the Life Insured or the Benefit Amount in respect of that Life Insured is reduced to nil as a result of the payment of claims.

When a Life Insured reaches age 99, the premiums will not increase due to age for the remaining term of the Policy in respect of that Life Insured. The premiums may change due to other factors (not related to age). This is explained under the heading The cost of your cover on page 17.

If a Life Insured has Woolworths Total and Permanent Disability Insurance, we guarantee to continue this cover for the Life Insured (as long as the Policy remains in force and you

pay premiums when due) until the Policy Anniversary after the Life Insured reaches age 65 or such time as the Benefit Amount in respect of that Life Insured is reduced to nil as a result of the payment of claims. Woolworths Total and Permanent Disability Insurance for a Life Insured ends on the Policy Anniversary after the Life Insured reaches age 65.

As long as the Policy remains in force and you pay premiums when due, we guarantee to continue Woolworths Children's Insurance cover for an Insured Child until the first of the following occurs:

- the date of payment of a benefit in respect of the Insured Child; or
- the Policy Anniversary after the Insured Child reaches age 21.

Your Policy ends when the first of the following occurs:

- the date of payment of the total Benefit Amount in respect of a Life Insured and there is no surviving Partner Life Insured; or
- the date you cancel the Policy; or
- the date we cancel the Policy if you don't pay your premiums when due, in accordance with our rights.

If your premiums remain unpaid for more than one month, your Policy could be cancelled. If we cancel your Policy, it may be reinstated within six (6) months of the date that the Policy was cancelled, but only if we agree and the reinstatement is subject to any terms and conditions we might require.

You can cancel your Policy by writing to Policyowner Services, Woolworths Life Insurance, PO Box 6728, Baulkham Hills NSW 2153, giving us 30 days notice.

What is not covered under your Policy?

We will not pay a Woolworths Life Insurance Benefit Amount in respect of a Life Insured, if the Life Insured dies, or has a Terminal Illness, directly or indirectly as a result of intentional or deliberate self-inflicted injury, occurring:

- on or after the Acceptance Date and within 13 months of the Commencement Date of the Policy; or
- within 13 months of the date that any increase in Benefit Amount is requested (but only in respect of the increase); or
- where we have agreed to reinstate the Policy after it was cancelled, within 13 months of the date on which we reinstate the Policy.

We will not pay a Woolworths Total and Permanent Disability Insurance Benefit Amount where the condition leading to the claim is a result, directly or indirectly, of an intentional or deliberate self-inflicted injury.

We will not pay any benefits where we have agreed with you a special term in respect of your cover that specifically excludes the event or condition leading to the claim. Any such special term will be agreed with you before your Policy is issued and will appear on your Policy Schedule as a special provision.

We will not pay a Woolworths Children's Insurance Benefit Amount if the claim arises (either directly or indirectly) from:

- the intentional or deliberate act of the Insured Child; or
- the intentional or deliberate act of the Policyowner or person who will otherwise be entitled to all or part of the Benefit Amount; or
- the intentional or deliberate act of the Insured Child's parents, guardian, relative or someone who lives with the Insured Child; or
- a congenital condition, i.e. a condition which is present at birth as a result of either hereditary or environmental influences; or
- a pre-existing medical condition for which the Insured Child has been under the care of a medical practitioner or undergone a medical related investigation before the Acceptance Date of the Policy.

Who receives the benefit?

We make all benefit payments to the Policyowner. If the Primary Life Insured dies while owning the Policy, the Woolworths Life Insurance Benefit Amount will be paid to the Policyowner's legal personal representative (or other person that we are permitted to pay under the Life Insurance Act 1995) except where a valid beneficiary nomination exists (see below). Where a valid beneficiary nomination exists, the Woolworths Life Insurance Benefit Amount will be paid to the nominated beneficiary or beneficiaries as specified in the nomination form most recently lodged with us. The Woolworths Life Insurance Benefit Amount will not automatically be paid to the Partner Life Insured unless they are the nominated beneficiary.

The Policyowner must be an individual and not a corporation or business and not a superannuation fund.

If the Policyowner dies and there is a surviving Partner Life Insured, the Policy will continue for the Insurance of the surviving Partner Life Insured in his or her name as the Policyowner provided that the surviving Partner Life Insured continues to pay the premium when due.

The payment of the benefit in respect of a Life Insured, including payment made pursuant to a valid beneficiary nomination, is in full and final discharge of our liability under the Policy for that benefit.

All benefits paid in connection with Woolworths Life Insurance will be made in Australian dollars.

Beneficiary nomination

The Policyowner may, at any time during the term of the Policy, nominate one or more (up to a maximum of 5) beneficiaries to receive allocated shares of the Woolworths Life Insurance Benefit Amount on his or her death. To make a valid nomination, the following rules and procedures apply:

- up to 5 beneficiaries can be nominated with a specified percentage share for each beneficiary that must total 100%;
- only natural persons can be nominated (not, for example, companies or organisations);

- nominations must be made by the Policyowner completing and signing a valid nomination form which must be lodged with us. A nomination takes effect when it is received and processed by us;
- nominations may be varied by the Policyowner completing, signing and lodging a valid new nomination form with us. A new nomination takes effect when it is received and processed by us;
- if the nominated beneficiary is a minor when the benefit is payable, his or her specified percentage share will be paid to a trustee or legal guardian for the benefit of the minor during his/her minority;
- if the nominated beneficiary dies before the Policyowner, the nomination in favour of that beneficiary fails and the percentage share specified for the deceased beneficiary will be paid to the Policyowner's legal personal representative (or other person that we are permitted to pay under the Life Insurance Act 1995). The remaining nominations, if any, will continue to be effective; and
- if the policy ownership changes e.g. due to assignment, any existing nomination will be invalidated.

For a copy of the nomination of beneficiaries form, please call 1300 10 1234, or visit woolworths.com.au/insurance.

Automatic increases of your Benefit Amounts

To help your level of insurance keep up with the cost of living, the Benefit Amounts for each Life Insured will automatically increase on each Policy Anniversary by 5%. Automatic increases do not apply to Woolworths Children's Insurance cover.

Automatic increases will continue even where the maximum Benefit Amount (as shown in the table on page 9) is met or exceeded.

We will send you an updated Policy Schedule each year your Policy remains in force, 30 days prior to your Policy Anniversary setting out your updated Benefit Amount and premium. You can decline the automatic increase by writing to us before your Policy Anniversary at Policyowner Services, Woolworths Life Insurance, PO Box 6728, Baulkham Hills NSW 2153. If you decline the automatic increase, the updated Policy Schedule we sent you will not be valid and we will send you a replacement Policy Schedule.

Even if you choose not to accept an automatic increase in any given year, the automatic increase will be applied in the following year unless you again choose to decline it.

The automatic increases will end on the Policy Anniversary after the Life Insured reaches age 75.

Guaranteed benefit increases

The Woolworths Life Insurance Benefit Amount can be increased for a Life Insured without further assessment of the Life Insured's health, within 90 days of the occurrence of any of the specified events described in the table below, as long as a benefit in respect of that Life Insured has not been paid and is not payable under the Policy. You can only exercise one increase per calendar year using this feature.

Other than for an increase as a result of the birth or adoption of a child, for the first six months after an increase applies, the Woolworths Life Insurance Benefit Amount, in respect of the increase, will only be payable in the event of the Life Insured's Accidental Death.

The minimum amount by which cover for a Life Insured can be increased under this benefit is \$10,000.

Any increase will be subject to certified copies of relevant documents as proof that the specified event occurred.

Specified event	We guarantee to increase Woolworths Life Insurance Benefit Amount by the lesser of the following*
The Life Insured marries or divorces or the Life Insured or his/her spouse** gives birth to, or adopts a child.	<ul style="list-style-type: none"> • \$200,000; or • 50% of the Woolworths Life Insurance Benefit Amount at the Commencement Date of the Policy.

* The Woolworths Life Insurance Benefit Amount cannot be increased to an amount greater than the maximum Woolworths Life Insurance Benefit Amount for your age at the time of the increase, as shown in the table on page 9. Automatic increases as explained in **Automatic increases of your Benefit Amounts** on this page will still be applied, regardless of maximum benefit limits.

** This means legal husband or wife, or someone living with the Life Insured as a de facto spouse on a genuine domestic basis. For the purposes of this benefit the spouse may be of the same gender as the Life Insured.

Please call 1300 10 1234 to increase your benefit using this feature.

Changing your cover

You may apply at any time in writing to Policyowner Services, Woolworths Life Insurance, PO Box 6728, Baulkham Hills NSW 2153, to:

- increase the Benefit Amount in respect of a Life Insured or Insured Child (subject to the Maximum Benefit Amount set out in The Benefit Amounts you can apply for section on page 9); or
- decrease the Benefit Amount in respect of a Life Insured or Insured Child; or
- change a Life Insured's status from smoker to a non-smoker, for the purpose of determining the Insurance premium rating. To change smoking status you will be required to complete a declaration form.

Any Insurance already in place will be unaffected by future applications for increases, even where we decline the increase or agree to cover subject to special terms.

Any change requested and the terms and conditions relating to the change are subject to our acceptance and written confirmation by us in the form of a new Policy Schedule.

The cost of your cover

Premiums are the cost of your Insurance. The premium you are required to pay is shown in the Policy Schedule. Your premium is calculated at each Policy Anniversary based on the following:

- the age of each Life Insured at that time;
- the benefits provided for each Life Insured (Woolworths Life Insurance and Woolworths Total and Permanent Disability Insurance (if applicable));
- the benefits provided for each Insured Child (if applicable);
- the Benefit Amounts for each Life Insured; and
- various other factors which affect the premium rating for each Life Insured such as gender, smoking status, state of health, family history, occupation and participation in hazardous activities.

Your premium may include any stamp duty and other government charges that may apply.

We may change the premium rates applying to your Policy, but only if we change the premium rate applying to all Woolworths Life Insurance policies in a defined group. We will send written notice of any change to you (at your last address notified to us) at least 30 days before the effective date of the change.

For an indicative premium estimate, please call 1300 10 1234 or for further details please visit woolworths.com.au/insurance.

You should note that the actual cost of your premiums may vary from any indicative premium estimate provided online.

How you can pay for your cover and when your premium is deducted

Your premium will be debited by us on the date of your choice, fortnightly, monthly or annually, as you choose. You can pay either by automatic debit from your bank, credit union or building society account, or from your credit card, or you can also pay annually by cheque.

You can apply at any time in writing to change the method of payment of premiums. Payment frequency changes can only be made on the Policy Anniversary following the request.

Premiums must be paid in Australian dollars.

Financial hardship

If you are suffering from financial hardship and are having difficulty meeting your premium payments, we may agree to a short term arrangement to assist. It is important that you make us aware of your circumstances so we can provide you with the available arrangement. We may request that you provide us with reasonable evidence of your financial hardship.

Your 30 day cooling off period

You have 30 days from the Commencement Date of your Policy, or the date any additional benefit starts, to decide whether you want to keep the Policy or the additional benefit. If you want to cancel your Policy, or additional benefit, within this 30 day period, you can do so provided you have not made a claim under the Policy. Please send your Policy Schedule to Policyowner Services, Woolworths Life Insurance, PO Box 6728, Baulkham Hills NSW 2153, with a written request for cancellation, within the 30 day period. When we receive your letter and Policy Schedule, we will cancel the Policy or the additional benefit, as applicable, and refund any premiums you may have paid for the cancelled benefits.

Your duty of disclosure

When applying for a Woolworths Life Insurance Policy, you (and your Partner Life Insured if applicable) have a duty of disclosure under the Insurance Contracts Act 1984, to tell us anything you (and your Partner Life Insured if applicable) know, or could reasonably be expected to know, which is relevant to our decision as to whether to insure the Life Insured(s) or Insured Child(ren) (if applicable) and on what terms. You have this duty until we agree to insure you. You (and your Partner Life Insured if applicable) have the same duty to disclose those matters when applying to increase a Benefit Amount or include additional benefits, or when applying to reinstate a Policy.

You (and your Partner Life Insured if applicable) do not need to tell us anything that:

- reduces our risk; or
- is of common knowledge; or
- we know or, as an insurer, should know; or
- we indicate we do not want to know.

If the insurance is for the life of another person and that person does not tell us everything he or she should have, this may be treated as a failure by you to tell us something that you must tell us.

If you (and your Partner Life Insured if applicable) fail to comply with the duty of disclosure, and we would not have issued the Policy (or accepted an application to extend, vary or reinstate the Policy) if the duty had been complied with, we may avoid the relevant part(s) of the Policy within three years of the Acceptance Date (or the date we agreed to increase a Benefit Amount, include additional benefits, or reinstate the Policy, as applicable). This means we could refuse to pay a benefit.

If the non-disclosure is fraudulent, we may avoid the relevant part(s) of the Policy at any time.

Alternatively, within three years of the Acceptance Date (or the date we agree to increase a Benefit Amount, include additional benefits or reinstate the Policy, as applicable) we may reduce the amount of cover under the relevant part(s) of the Policy to reflect the premium that would have been payable if all relevant matters had been disclosed to us.

For all cover other than cover for the death of the Life Insured or Partner Life Insured we may also:

- reduce the amount of cover under the relevant part(s) of the Policy to reflect the premium that would have been payable if all relevant matters had been disclosed to us (at any time and not just within the first 3 years of the Acceptance Date (or the date we agree to increase a Benefit Amount, include additional benefits or reinstate the Policy, as applicable); or
- if we have not cancelled the Policy or varied the cover amount, we can vary the Policy (including any of the terms and conditions of the relevant part(s) of the Policy) in a way that places us in the same position we would have been if the non-disclosure or misrepresentation had not occurred.

In exercising our rights outlined above, we may consider whether different types of cover can constitute separate contracts of life insurance. If they do, we may apply the above rights separately to each type of cover.

The duty of disclosure continues to apply after your application for cover, extension, variation or reinstatement until such time as we notify you that the risk has been accepted.

Life Insurance Code of Practice

The Life Insurance Code of Practice has been developed by the life insurance industry through the Financial Services Council and is the life insurance industry's commitment to provide quality products and a high standard of service to customers. A copy of the Code is available at fsc.org.au

The risks you should know about

It is important to select the correct insurance product and apply for the appropriate level of cover for your needs. If you do not have enough cover it might cause you or your family to suffer financial hardship even after receiving the benefit payment. You should assess your needs carefully to ensure that this does not occur.

Woolworths Life Insurance is designed purely for protection, unlike some other types of life insurance that have savings and investment components, which means that if you cancel your Policy (after the 30 day cooling off period) you will not receive anything back.

If you are replacing a contract or policy with another contract or policy, you should consider all the terms and conditions of each policy before making a decision to change.

Making a claim

If you (or your legal personal representative) wish to claim under your Policy, please call 1300 10 1234 or write to Claims Services, Woolworths Life Insurance, PO Box 6728, Baulkham Hills NSW 2153. We will send you a form to be completed, signed and returned. We may also require your treating medical practitioner to complete a form at your (or your estate's) expense.

The claim should be made as soon as possible after the claimable event. If you do not notify us within 120 days after the event giving rise to the claim, and we are disadvantaged by the delay, we may be entitled to reduce the amount we would otherwise pay, or we may be entitled to refuse to pay the claim.

Before a claim is payable we must receive proof, provided at your (or your estate's) expense and to our satisfaction, that the insured event has occurred. This includes all relevant information, including any test, examination, or laboratory results and certification from one or more appropriate specialist medical practitioners whom we approve. Only medical practitioners registered in Australia or New Zealand (or in another country approved by us) will be considered for approval.

We reserve the right to require the Life Insured or Insured Child to undergo, at our expense, examinations or other reasonable tests (including, where necessary, a post-mortem examination), to confirm the occurrence of an insured event or entitlement to claim. In addition we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

The Policy and the coverage for the benefit of the Life Insured, or Insured Child, must be in force when the insured event occurs.
