This notice sets out an important change made to the combined Product Disclosure Statement, Policy Terms and Conditions and Financial Services Guide for Woolworths Pet Insurance dated 14 August 2018. It is important that you read this SPDS and the policy booklet together to familiarise yourself with the policy Terms and Conditions as they now apply.

Section	Description of change
Duty of Disclosure (page 9)	<p><b>Under 'If you do not tell us something', replace with the following text:</b>  <i>If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and cancel your contract.</i></p>
Calculating your premium (page 9)	<p><b>Replace the entire section with the following text:</b>  <i>Your premium is calculated when your Woolworths Pet Insurance policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.</i></p> <p><i>The premium for new policies is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, the Excess selected, the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live, your age and the species, breed, gender of your Pet, the current age of your Pet, the age you first insured your Pet, and other factors related to our cost of doing business. These same factors may be used to calculate your premium when you amend your coverage. Further information about renewal premiums can be found under "Automatic Renewal of your Policy" on page 17.</i></p> <p><i>The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.</i></p> <p><i>Minimum premiums and discounts/entitlements may apply, subject to certain criteria. Discounts/entitlements/premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts/entitlements. They are applied to the base premium calculated prior to any taxes being added.</i></p>

Your Privacy (page 11)	<p><b>Replace the first bullet point on page 11 with the following:</b></p> <ul style="list-style-type: none"> <li>• <i>personal information is collected that is reasonably necessary in order for us to provide and offer you our products and services, or otherwise as permitted by law. You can also complete a paper claim form and send your original documentation via post. Claim forms are available on request by calling 1300 10 1234 or can be downloaded from [www.woolworths.com.au/insurance](http://www.woolworths.com.au/insurance). If you choose to claim via post, the attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form.

All claims must be completed carefully and honestly.

### **9.2 Important claim information**

1. Unless we agree otherwise, all claims must include itemised tax invoice/s, payment receipt/s (except when the claim is submitted via our GapOnly™ claim system, where available) and applicable Consultation notes. If submitting a claim by post all claim documentation must be accompanied by a completed claim form.
2. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
3. If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet whilst in your care. Failure to include this may result in delays in processing your claim. Note: for adopted Pets, veterinary history is only required from when you took ownership. If you can provide us with proof of adoption or transfer of ownership papers, we will only request veterinary history from that date onwards.
4. All claims should be submitted to us and received within ninety (90) days of the relevant Treatment being provided and all accounts must be paid in full prior to submission of your claim (unless you are submitting a claim using our GapOnly™ claim system (where available), whereby you agree that you will pay the Vet the remaining portion of the tax invoice (if any) after the claim payment (if any) is made by us to your Vet).
5. You agree that your Vet (current or previous) or any other service provider that provided Treatments to your Pet are authorised to release information and/or records to us about your Pet.
6. Where a Vet submits a claim on your behalf, you agree that the Vet is able to view the outcome and status of that claim and previous claims (where applicable).
7. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
8. You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.
9. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

### **9.3 What we will do**

1. We will deal directly with you regarding settlement of the claim. Where available, where our GapOnly™ claims system is used by your Vet to submit your claim, we will also provide information to your Vet about the settlement of your claim.
2. Unless we specify otherwise, we will pay you, not the Vet. Where available, where our GapOnly™ claims system is used by your Vet to submit your claim, we will provide payment of your claim directly to your Vet.
3. If the Vet Expenses:
  - a. are considered by us to be excessive or unreasonable; or
  - b. are higher than the Vet Expenses normally charged by a general or referral practice; or
  - c. in our opinion may not be required; or
  - d. are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices;then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).
4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver retrospectively as they stand to any paid claims or to any future claims

for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

**9.4 Examples of how we settle your claim**

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only and include GST):

**9.5 Our rights of recovery**

**9.6 Other insurance arrangements**

Insert new Section 10 – Fraud (Section 10 – Direct Debit Request Summary becomes Section 11 on page 38)

**Section 10 – Fraud**

*It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. We employ sophisticated fraud detection and prevention techniques to ensure we only pay out on genuine claims. By doing this we are protecting the interest of all policyholders and are able to offer a comprehensive policy with competitive premiums.*

*You must not act in a fraudulent manner. If you or anyone acting for you:*

- Make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect;*
- Make a statement in support of a claim knowing the statement to be false in any respect;*
- Solicit your Vet to behave in a fraudulent manner regarding a claim;*
- Submit a document in support of a claim knowing the document to be forged or false in any respect; or*
- Make a claim in respect of any loss or damage caused by your wilful act or with your connivance.*

*Then:*

- 1. We shall not pay the claim;*
- 2. We shall not pay any other claim which has been or will be made under the policy;*
- 3. We may at our option cancel the policy;*
- 4. We may at our option cancel any other pet insurance policies you hold which are issued by Hollard;*
- 5. We may be entitled to reclaim any payments already made to you in respect of such claims;*
- 6. We may not make any refund of premium already paid;*
- 7. We may inform the police of the circumstances; and*
- 8. We may pursue legal proceedings.*

Financial Services Guide (FSG) – How each party is paid for its services (page 42)

**Replace the second and third paragraphs with the following:**

*Woolworths may receive a commission of up to twenty-three percent (23%) of the net premium (this is the premium less any government taxes and charges) for promoting and arranging the sale of Woolworths Pet Insurance policies on behalf of Hollard. This commission is used by Woolworths to cover costs associated with the marketing and distribution of this product to you and costs associated with providing administration services, including set-up and operational costs, telecommunication charges and the costs associated with recruiting, training and engaging call centre consultants. This commission may also include any referral fees to people or organisations that refer new customers to Woolworths.*

*Our consultants are paid an annual salary and may also qualify for a bonus of up to \$5 per hour, dependent on their individual performance objectives. Such bonus payments are calculated based on pre-determined criteria including, amongst other things, the volume of sales and a consultant’s performance measured against agreed service levels. The payments made to consultants are not additional charges to you and are not in addition to the total premium you pay.*

Financial Services Guide (FSG) – Compensation Arrangements (page 43)	<b>Replace the second paragraph with the following:</b> <i>To this end PetSure has Professional Indemnity Insurance in place which meets the legislative requirements covering PetSure’s activities and the activities of its authorised representatives and includes the conduct of any employees who are no longer employed by PetSure or its authorised representatives but were so at the time of the relevant conduct.</i>
